Song Without Words

for medium voice and guitar, op. 4

poem by

Nancy Knowles

Secretly shining
prism within my heart
Sings forth your light,
star all alone, apart,
all alone so soon.

Warming my soul
from afar
I hear your call
echo in the womb
of my song,

Now you're the sun,
I'm your moon
your reflection
secretly shining
I'm your song
without words.
